

UJWAL BHARAT

A REVOLUTIONARY SYSTEM

To Protect Crops From Wild Animal

FIELDMASTER FENCE ENERGIZERS ARE NOW AVAILABLE AT A LOW PRICE.

THE MOST POWERFUL, INEXPENSIVE, MODERN AND 100% RELIABLE SYSTEM FOR CROP PROTECTION,

All Kinds Of Crops, Seedlings, Or Horticulture Can Be 100% Protected From All Kinds Of Animals, From Pigs To Elephants, And Also Keep Away Any Kind Of Habitual Animals.

POWER FULL OUTPUT

Fieldmaster Energizer Has PWM Modification And Control Feature It Gives Powerfull Output Pulse.

IS : 302-2-76

WORLD NO. 1 COMPLIES NATIONAL AND INTERNATIONAL STANDARD QUALITY

First And Only System In The World With ISI Mark Given By Govt. Of India For High quality, Durability And Safety Standards.

IN-BUILT LIGHTNING DIVERTER

In Built Protection Against Lightning Strike During The Rainy Season.

DUAL CHARGING SYSTEM

You Can Choose Any One Charging System It Can Be Charged With A Solar Panel And A Battery Charger In Parallel.

DYNAMIC INDICATIONS

It Gives Various Kind Of Indication For Fans Fault, Battery Voltage And System Status From Different Colours

PROGRAMMABLE SIREN SYSTEM

Precise And Programmable Fence Monitoring System Can Program According To Need Like Fence Cut / Tempered, Animal Touch Or Low Fence Voltage It Alart With High Volume Siren.

WORLD WIDE MORE THAN 1 LAKH HAPPY FARMER

The Trustworthy Brand And Quality And Highest Selling System In India

LONGEVITY HIGH QUALITY MAINTENANCE FREE SYSTEM

Water, Dust & Rust Proof

WATER, RUST AND DUST PROOF EPS WALL MOUNTED BODY.

Meet National And International IPX4 Standard. Long Life Durable Eps Body Which Can Be Mount On Wall.

TECHNICAL SPECIFICATION:

Output energy : 3 and 5 J factory Set
Output current : 7-9.9A
Pulse Duration : 170-250 micro second, nominal
LV output : 7000V 1 Zones
Input current : 250 - 450ma
SMPS charger max : 14v 5A
IP rating : IPX4

Output Voltage : 7 to 9 KV, selectable model
Pulse Interval : 1.2 second nominal
HV output : 9900 V 1 zone
Input Power : 12 V DC
Solar charging max : 24v 5A
Voltage monitoring adjustable : 3000-10000v
IS specification : 302-2-76

GUARANTEE WARRANTY

- ◆ 1 year Guarantee and 2 year Warranty in Energizer.
- ◆ In Guarantee Period: No charge for parts and service, In warranty period: Not charge for Service, only parts charge applicable.
- ◆ 5 Year Warranty in 40W Solar Panel.
- ◆ 1 year warranty in 26AH Amron make Battery.
- ◆ No Guarantee/warranty for burned or damaged system.
- ◆ No Guarantee/warranty for Siren & Battery cable.
